

Andrew A Hill, MD

Vascular Surgeon at Auckland City Hospital, Auckland, New Zealand

Dr Hill trained in New Zealand and Australia and has practiced in Auckland since 1997. He has an interest in complex aortic procedures, vascular access and infra-inguinal reconstruction. His research interests specialise in First-In-Human devices and is co-Director of the Vascular Intervention Research Unit.

He is a past Senior Examiner in Vascular Surgery for the Royal Australasian College of Surgeons and is a past President of the Vascular Society of New Zealand and the Australian and New Zealand Society for Vascular Surgery.
